DESIGN YOUR OWN HERE

DESIGN CONFIGURATOR

We have introduced design configurators into our showrooms to help you build your own bespoke VW design. In our design areas are samples of all the upholstery, worktops, furniture, floorings and edging trims enabling you to visualise your custom choices.

When you design your own VW Camper with us the first step is to choose your Base Vehicle. All of our base vehicles are ordered directly from Volkswagen on the latest Transporter T6.1 with the upgraded **Highline Specification**. All come with single swivel cab seats (option to order with double front passenger seat).

These specs and options apply to both the St Tropez and Monte Carlo vans.

- Choose Short Wheel Base (SWB) or Long Wheel Base (LWB) vehicle
- Choose from three 2.0 Tdi diesel engines
 - 110 bhp 5 speed manual
 - 150 bhp 6 speed manual
 - 150 bhp DSG automatic
- Choose from 14 external colours

HIGHLINE SPECIFICATION

Highline Specs +
Engine, colour &
Wheel base choice
apply to St Tropez
& Monte Carlo

Once you've decided on your choices for your BRAND NEW Base Vehicle you can move forward to the next step. Choose from one of our two stunning models - St Tropez or Monte Carlo and a list of bespoke customisations.

ST TROPEZ

The St Tropez has been a long established model in the Camper King range and offers a classic VW layout. The St Tropez is available on both a short wheel base (SWB) or long wheel base (LWB) and has four berths with four seatbelts (with the option to order with five seatbelts).

It features an elevating roof and overhead roof bed and comes with high Volkswagen and Camper King specification as standard, all of which play a large part in the strong resale values that the VW and Camper King products benefit from.

ST TROPEZ STANDARD SPECIFICATION

Various choices of Upholstery, Worktops, Furniture, Flooring & Edging Trim are available with the St Tropez.
