Elddis Envoy Motorhomes  
2018 Model Range  
[www.elddisenvy.co.uk](http://www.elddisenvy.co.uk)

The multi-award-winning Elddis product is renowned for quality, driving performance & exceptional value for money. This coachbuilt range is designed & engineered to the most exacting of standards, combining over 50 years of heritage with ultra-modern features & stylish comfort.

Outstanding drive performance is provided by a Peugeot Boxer Euro 6 2.0HDI 130bhp turbo diesel with six speed gear box for better fuel efficiency & reduced emissions. All products feature the state of the art fully bonded SOLID construction which is backed by a 10 year water ingress & body integrity warranty.

In 2014 we launched our own dealer special edition 'Envy' range which is unique to Dolphin. Our intention was to offer something different and choose a high level of specification whilst ensuring the end price stayed extremely competitive. We managed to achieve our aim and it proved an instant success surpassing all expectations. With the introduction of the new generation Peugeot Boxer cab in 2015 and enhanced specification for the 2018 season, we firmly believe the 'Envy' range will go from strength to strength.
