VAN CONVERSION

The multi-award-winning Elddis product is renowned for quality, driving performance & exceptional value for money. The Envy range is designed & engineered to the most exacting of standards, combining over 50 years of heritage with ultra-modern features & stylish comfort.

In 2014 we launched our own dealer special edition 'Envy' range which is unique to Dolphin Motorhomes. Our intention was to offer something different and choose a high level of specification whilst ensuring the end price stayed extremely competitive. Launched in 2019, the Van Conversion range goes from strength to strength with the introduction of the all-new CV80 to compliment the CV20 and CV40. The CV80 offers the impressive elevating roof and bed plus countless technological innovations that can be easily and effectively managed from the driver's seat, improving safety, increasing comfort, optimising driving performance and ensuring state-of-the-art infotainment.

Fiat Ducato is synonymous with optimum safety and performance. It is equipped with advanced control and safety technology with a 2.3JTD 140bhp engine. It is built with 6 speed manual transmission as standard with Automatic transmission (140bhp or 160bhp) as cost options.
