ELDDIS ENVY 2025 BROCHURE

A history of Eddis Envy

The multi-award-winning Eddis product is renowned for quality, driving performance and exceptional value for money. The Envy range is designed and engineered to the most exacting of standards, combining over 60 years of heritage with ultra-modern features and stylish comfort.

In 2014 we launched our own dealer special edition 'Envy' range which is unique to Dolphin. The intention was to offer something different and choose a high level of specification whilst ensuring the end price stayed extremely competitive. It proved incredibly popular and remains our best selling range.

The Compact and Coachbuilt ranges are built on a standard Peugeot chassis, which is not modified. Keeping the integrity of the Peugeot chassis gives the motorhomes unrivalled driving qualities. It has outstanding drive performance provided by the Peugeot Boxer 2.2 140bhp BlueHDi Turbo Diesel for better fuel efficiency with six speed gear box and Euro 6.2 engine.

Free Envy Pack worth up to £4605
